

# “KelseyCare has exceeded our employee satisfaction levels while decreasing our health benefits costs.”

**Drew Brown, Administrative Director, Human Resources**

St. Luke's Episcopal Health System

“At St. Luke's, we've been offering the KelseyCare health insurance plan as an option since 2004. St. Luke's employees choose KelseyCare from a menu of plan options. They like the predictable out-of-pocket costs and affordable copays ... and the convenience of many locations all over Houston. Our employees recognize quality healthcare. The KelseyCare plan has exceeded our employee satisfaction levels while decreasing our health benefits cost.”

KelseyCare ... the health benefits plan with Kelsey-Seybold is available to companies with 50 or more employees.
